

Here at Sun Pier House, we are turning a corner on our journey...

In order to focus on our Arts Development Programme such as; attracting local and national exhibitions, enhancing our studio spaces, providing mentoring schemes, running collaborative projects with artists and Medway communities, as well as growing our events programme we need to make a few small changes to make sure we deliver the big ones.

So, we are taking a break from running a daily Tearoom. From this week, 1 August 2019, the Tearoom will be closed unless you have pre-booked.

We are still taking bookings, and the Tearoom continues to be available for private hire, parties, events, gigs, classes, meetings, social events, and of course Afternoon Tea!

Everything else we offer at Sun Pier House will continue, from film screenings to artist talks, exhibitions to conversation cafes, a home to 15 artists in our studios, and a base for three amazing creative businesses.

We want our spaces to work for the local community socially and artistically and will happily discuss ideas with you, please get in touch on 01634 401 549. If you have previously made a reservation nothing has changed.

Thanks to all of you who have supported the Tea Room over the past 5 years and we hope you continue to enjoy the diverse programme of events held at our venue.
